

**Government of Jammu and Kashmir**  
**Office of the Financial Commissioner (Revenue), J&K, Srinagar.**

**Subject:- Transfer and posting of Tehsildar/ Naib Tehsildars/Girdawars/  
Patwaries.**

**CIRCULAR**

It has been observed with regret that subordinate Revenue officers are regularly bringing political pressure for getting postings of their choice. In this connection, attention of all concerned is invited to Rule, 17 of Jammu and Kashmir Government Employees (Conduct) Rules 1971 which reads as;

***“No Government employee shall bring or attempt to bring any political or other outside influence to bear upon any superior authority to further his interest in respect of matter pertaining to his service under the Government”.***

In order to adhere to the well established transfer policy of government, this office is effecting transfers of Naib Tehsildars under rules as and when required. No unnecessary/ premature transfer can, therefore, be allowed to be made at any level in contravention of the existing transfer policy;

In this background, it is enjoined upon all Revenue Officers/Officials to adhere to the existing transfer policy and to also adhere to the provisions of the Government employees (conduct) Rules as referred to above. Meanwhile, all letters/ recommendations in writing received from any political person are ordered to be placed in the personal file of the concerned employee and referred to while writing the APRs of that employee/ or at the time of preparing list of “dead wood” officials.
