

Shah Jahan v/s Prem Kumar

11-05-2022

Applicants have filed this transfer application for transfer of appeal pending before Additional Deputy Commissioner, Rajouri on the ground that non-applicants would use his influence on the Presiding officers.

However, the counsel for applicants states that the then Presiding Officer is transferred now and he has no objection if this transfer application is disposed of.

Heard, the prayer of counsel for applicants. Admittedly, the then ADC, Rajouri is transferred on 24-05-2021 & is replaced by new Presiding Officer. As such, this transfer application becomes infructuous.

Hence, this transfer application is disposed of with direction to ADC, Rajouri to disperse of the appeal pending before his court within two months by conducting day to day proceedings. Status quo order issued, if any, is vacated. File be assigned to record after completion.
